

CRETA

Spotlight in motion.

Designed for those who are always on the lookout for the best side of all your challenges. Prepare for a change, adapt quickly. It is time to turn on your light and shine. Be a spotlight on the way to your future.

See the spotlight.

Designed to be different in the midst of urban mobility. Its Parametric Jewel Pattern Grille & Hidden-type LED DRL, as well as the 17-inch Diamond Cut Alloy Wheel gives Hyundai CRETA its bold, center-of-attention character.

Ambient Mood Lamp

The classy convenience.

BOSE Premium Sound System

With 8 audio speakers, the BOSE audio system is specifically designed to match the sound of Hyundai CRETA's cabin. It delivers a concert-stage sound experience while you drive.

Panoramic Sunroof

Wireless Smartphone Charger

Ventilated Seat

The seat cooling feature provides extra comfort according to your needs.

The ultimate flexibility & comfort.

Leather Seat

60:40 seat

Hyundai SmartSense

Lane Keeping Assist (LKA)

The front view camera detects lane markings (by the roadside) to monitor the vehicle's position in its starting lane. The system will warn the driver when the car leaves the roadside, without using the turn signal and automatically steer the wheel to prevent it from diverting from its current lane.

Hill-start Assist Control (HAC)

When starting the vehicle from a stop on an incline, the HAC prevents the accidental rollback that can occur after the brake pedal is released.

Rear View Monitor (RVM)

RVM makes sure it is safer when reversing or parking. The rear camera will monitor the rear area of the car.

6-airbag system (Driver, Passenger, Side & Curtain)

This feature serves as a support system. Drivers must stay focused and be careful while driving.

Impressive performance.

Equipped with a 1.5L Smartstream engine with an Intelligent Variable Transmission (IVT) system, the Hyundai Creta delivers tough, responsive, and efficient performance.

Hyundai Creta is also provided with a Drive Mode feature that enables drivers to choose the most suitable driving style for them.

Drive Mode

Intelligent Variable Transmission (IVT)

Drive Mode (Eco, Comfort, Smart, Sport)

Traction Control Mode

By adjusting the right/left wheel slip control according to engine torque and gearshift pattern, Traction Control Mode automatically fine-tunes the Creta front wheel-drive system to adapt to road conditions.
