HyundaiBrunei HyundaiBrunei

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and it became an integral part of their lives. At the same time, the automobile industry has experienced seismic change. Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.

PEOPLE ON THE MOVE IN STYLE

With its enhanced exterior features, the newly redesigned H-1 will get you where you need to go, in style. A shiny chrome-coated radiator grille and 16-inch alloy wheels only make this vehicle stand out to be that much more grand, while fog lamps add to its enhanced safety while driving.

DRIVER-ORIENTED ROOM

The H-1 is ideal for long journeys and has every comfort feature built-in to keep the driver and passengers relaxed and happy along the way.

EXPAND YOUR SEATING CAPACITY

Extreme comfort and spacious interior of H-1 is matched only by its practical and sophisticated design. Let's go to the next destination in comfort and style. The H-1 will take you to the next destination in comfort and style.

MORE SPACE FOR CARGO & PASSENGERS

The H-1 line up comes in 3 different seating variations: a 2/3 van, 5/6 van. The 2/3 cargo van allows you to load more cargo with its very spacious capacity, while the 5/6 van accommodates more passengers.

THE ULTIMATE MULTIPURPOSE VAN
Hauling lots of cargo is now more convenient and safe with optimized specification features in this spacious H-1 van. Twin rear doors that both swing open also allow for more efficient loading and unloading of all your cargo, quickly and easily.

SAFETY WITH POWER AND PERFORMANCE

Driving an H-1, you will feel more confident and secure. Whether the engine is gasoline or diesel, H-1 guarantees good performance, complemented by Hyundai Motor's rugged dependability and eco friendliness. Also, optimized airbag systems will protect driver and passengers from getting injured.

DISC BRAKES

16" disc brakes are available on all wheels, providing maximum stopping performance and outstanding control, even when the large H-1 is fully loaded with passengers and cargo.

A. AIRBAG SYSTEMS

The driver and front seat passenger in the H-1 can be reassured by added side airbags, which offers additional protection against side impacts. In a serious accident, the safety devices instantly inflate to help protect the seat occupants from injury.

B. 2.4 MPI GASOLINE ENGINE

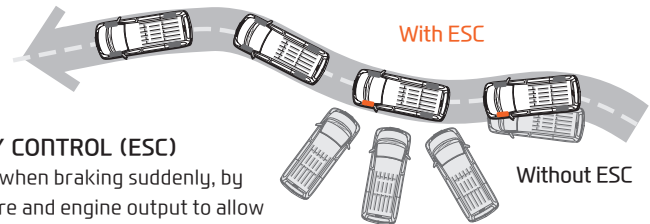

Maximum output of 126 kW(175 ps) at 6,000 rpm and maximum torque of 224 Nm(23.2 kg.m) at 4,200 rpm.

C. 2.5 CRDi DIESEL ENGINE WITH WGT

Maximum output of 100 kW (136 ps) at 3,600 rpm and maximum torque of 343 Nm (35 kg.m) at 1,500-2,500 rpm.

2.5 CRDi DIESEL ENGINE WITH VGT

Maximum output of 125 kW (170 ps) at 3,600 rpm and maximum torque of 441 Nm (45 kg.m) at 2,000-2,250 rpm.

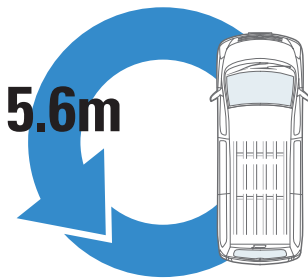

ELECTRONIC STABILITY CONTROL (ESC)

Allows for greater control when braking suddenly, by manipulating brake pressure and engine output to allow you to steer effectively during emergency braking.

MANEUVER MADE EASY

Conveniently turn the large H-1 around anywhere. Despite having a length of more than 5 meters, the H-1's turning radius is only 5.6 meters wide. So, tight turns are no problem for this large, versatile and capable van.

AUTO CRUISE CONTROL

Auto cruise control lets you set and maintain your desired speed. It's perfect for long road trips, because it prevents you from accidentally passing the speed limit. At the same time, you can let your feet relax while saving fuel.
